

Michael Keates

I am a dedicated and hardworking individual with a strong background in all things computing and technology. I have a passion for learning and developing new skills, a strong attention to detail, excellent verbal, written and communication skills and I am always looking for new challenges to expand my knowledge and experience as well as improving my abilities to create efficient and effective solutions for various requirements.

Experience

Heavy Lift Logistics East Africa Limited - Graphic Designer (Remote)

2018 - 2020

- Communicated with clients to understand requirements for new sister company
- Produced accurate transport plans using both Adobe Photoshop & Illustrator
- Designed the company Logo
- Increased my confidence and proud of being part of a number of heavy lift projects across East Africa
